Coleman Insights Raleigh, NC USA

Number of employees: 28 https://colemaninsights.com/

Partnerships

- → WePledge: Twilio and Pledge 1% have partnered to offer WePledge 1% to members. WePledge 1% offers resources and a cohort-based incubator for businesses looking to start or refresh their employee impact/giving program
- → **TechSoup:** For members who have taken the Product Pledge, we've partnered with TechSoup to deliver a series of events and resources on how to optimize product donations

WePledge 1% twilio.org

Local Connections

→ P1 Hubs: our new initiative to connect Pledge 1% companies by city, state or community within geographic regions to support partnership, coalition building, and scaled impact. Areas where we have a critical mass of existing P1% members include:

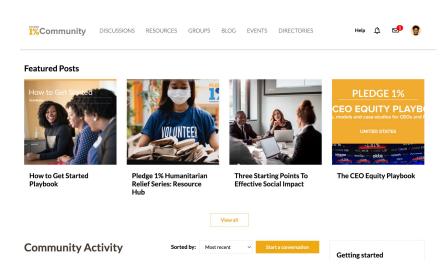

Community

- → Refreshed Directory: To help users more easily search and find other companies and users to connect with
- → Expanded Profiles: To capture more valuable information on your company's social impact initiatives
- → P1 Pulse: Monthly updates from the P1% team on upcoming events, relevant news and member shout-outs
